## Innovative Designs

TRUST platform trucks and utility carts provide you with transport facility meeting your demands in any environment.

## Resist Distortion, Denting, Breaking, Rusting and Decaying

Tough, resilient surface absorbs impact and provides quiet operation. Virtually maintenance-free; resistant to most chemicals, impervious to water damage, and is easily cleaned.

Metal: Dents and rests.

Wood: Splinters and rot.

## Transport Materials Effectively and Safely

The handle on the cart is adjustable to fit your height and reduce muscle strain.

## Casters Meeting Your Demands

Select optimized casters for each product through repeated tests to provide you with most effective and durable material transport solution.

Polyolefin

Pneumatic

Thermoplastic Rubber

## Mobile Work Centers

### Bitbar® Mobile Work Centers

#### Product Features

1. Innovative design for easily transporting any items.
2. Sturdy structural foam construction won't rust, dent, chip, or peel.
3. Molded-in storage compartments and cup holder are available for storage of small items and tools.
4. User friendly handles provide comfortable and easy maneuverability.
5. 12.5 cm non-marking casters (two fixed and two swivel with full braking mechanism) ensure easy maneuverability.

## Select Casters Meeting Your Demands

Every TRUST carts and trucks use top heavy-duty casters to meet every demands.

### PP Casters

PP casters are easier to move than soft casters. They are non-marking, resistant to impact and chemical corrosion, and will neither slide off the course, nor get metal debris/ nails attached under load. Excellent on surfaces of concrete, wood, carpet and steel.

### Pneumatic Casters

Ideal for fragile goods. Let the trucks run quietly on uneven, rough surfaces, just as they are moving on a soft cushion. Excellent on nearly all surfaces, including smooth concrete surfaces and rough gravels.

### TPR Casters

TPR casters help reduce shock, protect the floor and run quietly. Excellent on tiles, Terrazzo, wood, smooth concrete, and carpets.
